

# .22 RIMFIRE CONVERSION KIT

**AVAILABLE FOR SIG SAUER P220, P226, P229R AND P228/P229 MODELS**

## Rimfire Conversion Kit

Save on ammunition costs, hone your shooting skills, and just have fun – the .22LR Rimfire Conversion Kit, available for SIG SAUER P220, P226 & P229 models features a hard coat anodized slide machined from solid aluminum billet. A complete replacement assembly, the Rimfire Conversion Kit installs as easily as field stripping the pistol. Simply remove the standard slide assembly, slide on the Rimfire Conversion Kit, add the included .22LR magazine, and you're ready. The Rimfire Conversion Kit features adjustable target sights and comes complete in a hard carry case.

## .22 RIMFIRE CONVERSION KIT INCLUDES

- HARD COAT ANODIZED ALUMINUM SLIDE
- ADJUSTABLE TARGET SIGHTS
- RECOIL SPRING/GUIDE
- BARREL
- .22 LR MAGAZINE (HOLDS 10 ROUNDS MAX)
